

Live and Online

Now you can get classroom instruction – and online availability at anytime, anywhere through the Career Development Channel

Get the live classes you want with the convenience of distance learning. When you sign up for a class that we record, you have the option to get the face-to-face learning environment you have asked for along with the convenience of online accessibility. With greater accessibility you can watch the class after the session, on demand, and you can even watch the class live from a remote location. *Seriously— learning has never been easier.* With wireless Internet or 4G availability, you can now access these classes from any desktop computer, laptop, tablet or mobile device.
